Welcome to the 19th Annual East End Arts Teeny Awards

Dear Teeny Award Friends,

Thank you for partaking in this sensational finale of brilliant high school theater productions. East End Arts is proud to honor this year's Teeny Awards nominees and recipients.

With so much uncertainty surrounding our communities over the past year and a half, we are very grateful for the collaborations and extra efforts made by so many to produce this year's award ceremony and all the productions leading up to the awards. Tonight would not be possible without the enthusiasm and devotion of the theatre directors, high school actors, stage managers, musicians, artists, Teeny Awards judges, parents, sponsors, school administrators and volunteers. It is with sincere gratitude that we thank you for helping East End Arts and our extraordinary coordinator, Kasia Klimiuk, to bring the community together through the power of art in all its forms.

Join me in thanking our Red Carpet Headliner sponsor People's United Bank, and our Mezzanine sponsors Five Towns College and Hampton Coffee Company. The Teeny Awards would not be possible without the generous support of our sponsors.

Please consider supporting the Teeny Awards and East End Arts by making a contribution at eastendarts.org. Your generosity will allow this incredible recognition awards ceremony to continue for future generations of east end students.

Warm regards,
Diane Burke
Executive Director
East End Arts

To our dear Teeny Awards community,

When I first started this position in the fall of 2019, I was so excited to champion theatre in our schools and arts education on the East End. As an educator and passionate arts advocate, to me theatre is more than just performance. It transcends the stage into our every day lives, grows our confidence, helps us communicate and teaches us the value of community and collaborating as individuals. These last two years as coordinator, I have seen the beautiful community that has blossomed around the Teeny Awards program. This ceremony and program would not be possible without every single one of you, especially during the challenging time of a pandemic which has dimmed the light on the arts for over 800 days.

Tremendous thanks to our Red Carpet Headliner sponsor People's United Bank, and our Mezzanine sponsors Five Towns College and Hampton Coffee Company as well as our program advertisers. Thank you to the students, directors, teachers, parents, families, administrations and schools that fought for a production to happen. You found creative ways to tell stories whether it was pre-recorded, live streamed, on a stage, in new locations, and so many other creative avenues because you knew how important the arts are to our students. Thank you to the judges who navigated a whole new world of technology and virtual theatre. Thank you to the students who wore those masks, remained safe, stayed socially distant, and still brought dynamite performances to the stage.

Tonight, you are all winners, because you had the privilege of creating something from nothing, experiencing the magic of performance and meeting your theatre family. It has been an unconventional season and I commend you all for finding the light.

With so much love,
Kasia Klimiuk
Teeny Awards Coordinator

Mark your calendars...

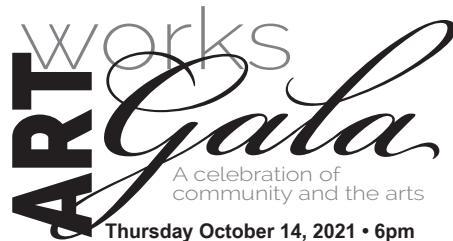

Join EEA & our 2021 honorees, Olivia & Harlan Fischer along with Patricia Cruso at the . . .

2021 ARTworks Gala
on Thursday, October 14, 2021.

ARTworks and all that it represents is needed now more than ever, as we seek ways to connect with one another and celebrate the importance of the arts in our lives.

We look forward to being together soon.
