

Vincent VanGogh

Project: Our project will examine the amazing swirly brush strokes and texture used by Van Gogh in *Stary Night* and his other works!

Process: Pick a favorite landscape picture as your subject and with swirly strokes using your paint or pastels create your own Van Gogh Landscape.

Material: We will utilize a small canvas or paper if you are using pastels, some acrylics, brushes, or chalk pastels, and use fluid swirly strokes to achieve this style.
